MEASURE TWICE, CUT ONCE.

COMPANY PROFILE /

Lakewood Group

Sustainable. Natural. Durable.

www.customtimber.me

WHO WE ARE /

We at Custom Timber Industries have developed efficient manufacturing practices to ensure orders are processed with utmost care while meeting stringent quality requirements and all environmental norms. To this end we have commissioned a state-of-the-art industrial scale sawmill with a capacity of over 1000 m3 output per month, the only one of its kind in the United Arab Emirates.

WHAT WE DO /

CTI specializes in milling and supplying high quality, special sizes of timber on demand, within short lead times. Our facility is based in the historic old port of Jadaf, which is centrally located in Dubai, UAE.
